

# CAIW Convention - Education Day

## BUILD YOUR INSURANCE CAREER!

- Learn the facts and issues about catastrophe losses
- Learn how to deal with negative remarks about the insurance industry
- Disaster cleanup can be challenging. Are you prepared?
- We are in a global financial turmoil. What impact will this have on the reinsurance market?
- What does it take to succeed in these challenging times?

*Professional development is a key mission of the Canadian Association of Insurance Women (CAIW). TIWA has developed this seminar for the CAIW Convention 2009 to serve the insurance community. You will hear from knowledgeable insurance people, get acquainted with a favorite TV host, and network with your fellow industry peers.*
